On the Streets - Cityscape

'paintings full of light & atmosphere'

21st - 22nd June, 2025

(2 days) workshop at my Buderim studio - Sunshine Coast

Thank you for your interest in my 'On the Streets - Cityscape' painting workshop on 21st - 22nd June (2 Days) held at my home/studio in Buderim.

Love to have you come along as I know you will really enjoy this fabulous creative painting experience. Lots of fantastic creative stuff here mixed with heaps of great painting time as you will be learning in the company of like-minded artists and always just darn good painting fun time. This workshop will offer you fabulous opportunities to grow and develop valuable creative painting skills and techniques. It's also packed with heaps of essential information and generous amounts of painting tips and tricks to build your self-confidence allowing you to create fantastic creative paintings sooner.

Your creative artistic journey begins with exploring lots of creative painting concepts and processes applied through easy 'Learn as you paint' methods which help you understand and create more exciting and dynamic paintings sooner. Build your confidence, learn how to use mediums for better results, simplify colour choices, textural effects and so much more all combine for fabulous and exciting results in your paintings to take home.

Focus on colour, shapes and form (perspective made easy), paint mediums, brush and palette knife techniques, composition, proportions, dynamic cropping for best use of photo reference (what to use, what to leave out and why.?) Discover the power of colour choices and using textural marks for effect and so much more... Easy to learn skills and techniques which you can confidently take away and use again at home. *** Suitable for all student levels**

Please feel free to forward this information to anyone who you think may also be interested in coming along

On the Streets - Cityscape:- This workshop will offer you fabulous opportunities to grow and develop valuable creative painting skills and techniques. It's also packed with heaps of essential information and generous amounts of painting tips and tricks to build your self-confidence allowing you to create fantastic creative paintings sooner.

Day 1.. "Exploring, practicing, applying paint"

Let's get started as we explore 'On the Streets - Cityscape' through painting, innovative thinking and better choices with reference. Sketch out your ideas and then transfer to canvas and paint your very own 'painting fantastic' where you will apply all that you are learning to your very own painting.

Day 2.. "Create a second 'painting fantastic Cityscape'

Begin your second 'painting fantastic' with a whole day to complete it. Apply and consolidate all your new learning as we also explore atmospheric light, perspective made easy, colour mixing, mediums and how to use, brush and palette knife techniques and so much more..

You will learn:

- New ways to paint better cityscapes
- Understanding and applying perspective and good composition
- What makes a great painting and how to achieve it.?
- How to prepare and get started.?
- Essential cityscape painting techniques explained and then applied
- How to interpret photo reference. What to use and what to leave out and why.?
- Apply your new creative process for wonderful, visually exciting cityscapes

Here is what you get:

- Your class reference photo
- Perspective explained and made easy
- Creating light effects & atmosphere, textures and surfaces
- What makes a great cityscape painting & how to achieve it.?
- Easy to learn methods as you paint and explore cityscape scenes
- Learn how to recognize, capture and paint essential aspects of your subject using my simple and practical techniques
- Heaps of one-on-one instruction as student numbers are always limited
- Live in-class painting demonstrations by myself to show you how it's done
- Better use of materials & equipment
- Heaps of practical painting tips and tricks
- All this and much, much more...
