PAINT COLOURS

“Acrylic - GENERAL” (2 DAY - PALETTE KNIFE)

Please Note: I use mostly Atelier paints for my workshops and classes, therefore my suggested colours below have been chosen from that range of paint.

*** I always suggest that students purchase the best quality paints they can afford, and other artists quality paint brands are also fine as long as similar colours as these are available.*

*** Chroma A2 or similar are ideal for Beginners and are more cost effective.*

However.. I do not recommend Jo Sonja or Chromacryl or similar student grade paint

- * Titanium White (Large size) Chroma A2 is ideal
- * Cadmium Yellow “Lite or Lemon” * Cadmium Yellow “Medium”
- * Cadmium Red Light (Scarlet) * Permanent Alizarin
- * Light Red Ochre * Brilliant Violet
- * Pthalo Green * Pthalo Turquoise * Pthalo Blue (Optional)
- * Ultramarine Blue * Cerulean Blue * Purple (Atelier)
- * Burnt Umber * Burnt Sienna * Yellow Ochre
- * Atelier ‘Regular’ Gel (Gloss) Medium
- * Atelier Heavy Gel 500ml (Gloss) Medium (*Not modelling paste*)

-
- Please note that the **Bold and Underlined Colours** are important for this workshop and all the (Optional) colours are just to expand the colour range further if students wish to purchase. Students are welcome to bring any other extra colours they want or just what they have already and we can usually work with those.
 - Students are welcome to email Don at: info@donmilnerartist.com.au to get more information and clarify details on his ‘Workshops or Art Classes’ or to discuss the materials required.
