PAINT COLOURS

“Acrylic” - Cityscape (2 Day)

Please Note: I use mostly Atelier paints for my workshops and classes, therefore my suggested colours below have been chosen from that range of paint.

*** I do suggest that students purchase the best quality paints they can afford, and other artists quality paint brands are also fine as long as the same colours are available.*

*** Chroma A2 or similar are ideal for Beginners and are slightly more cost effective.*

However.. I do not recommend Jo Sonja or Chromacryl for my students.

- * **Titanium White** (Large size) Chroma A2 is ideal
- * **Cadmium Yellow “Lite or Lemon”** * **Cadmium Yellow “Medium”**
- * **Cadmium Red Light** (Small Size) * **Cadmium Red Medium** (Optional)
- * **Permanent Alizarin** * **Orange** (Optional)
- * **Ultramarine Blue** * **Brilliant Violet** * **Pthalo Blue** (Optional)
- * **Cerulean Blue** * **Purple** (*Atelier*) (*Must not be Dioxin Purple*)
- * **Burnt Umber** * **Burnt Sienna** * **Paynes Grey**
- * **Yellow Ochre** * **Raw Sienna** (Optional) * **Raw Umber** (Optional)
- * **Atelier Heavy Gel Medium (Gloss)**
- * **Atelier ‘Regular’ Gel** (Gloss) Medium

-
- Please note that the **Bold and Underlined Colours** are important and all the other (Optional) colours are just to expand the colour range further if students can afford them. Students are welcome to bring other colours or just what they have already and we can work with those.
 - Students are welcome to email Don at: info@donmilnerartist.com.au to get more information and clarify details on his ‘Painting Workshops’ or to discuss the materials required.
