'The Portrait'
- getting a good likeness -
19th - 20th July
(2 days) workshop at my Buderim studio - Sunshine Coast

Day 1..
Let's get started as we explore the various features of the face (Eyes, ears, nose) to familiarize you enough to create a portrait of your own. Sketch out your ideas and then transfer to canvas and paint your very own 'portrait fantastic' where you will apply all that you are learning to your very own painting.

Day 2..
Continue your 'portrait' painting with a whole day to complete. Apply and consolidate all your new learning as we practice easy mixing of skin colours, better use of mediums and how to get more out of your paint without grief, painting hair, brush techniques and palette knife included and lots more...

You will learn:-
- Essentials for creating a lifelike portrait
- Understanding and applying good structure and proportions
- What makes a great portrait and how to achieve it.?
- How to prepare and get started.?

- Mixing skin colours, lifelike facial features explained, paint large first then small shapes
- How to interpret photo reference. What to use and what to leave out and why.?
- Don's easy to learn methods to simplify the process (Step by step)

The Process:- I explain and demonstrate, then we get started with some basic portrait feature studies to introduce and consolidate a better understanding of facial features before moving forward and creating your very own portrait painting

Next - Start your portrait painting and I spend lots of one-on-one time with you to make sure you understand the process, execution and methods of every part of the painting. Each day, filled with heaps of great tips and tricks you just don't find in books.

I would love to see you there and share some fantastic creative painting time with you so please let me know ASAP to secure your place or get more information. *(All student levels welcome)*
