Colourful Bold 'n' Beautiful

- creating exciting paintings -

18th - 19th May, 2024

(2 days) workshop at my Buderim studio - Sunshine Coast

Day 1..

Get started by exploring many aspects of the creative and painting processes while having heaps of fun along the way. Experimental mark making, dynamic colour choices, textural effects, large brush – small brush techniques, etc.. Then we make an interesting painting buy days end.

Day 2..

Once we have the creative process fundamentals sorted, we jump straight into a second 'painting fantastic' where you will apply what you have been learning into your own painting with a full day to complete.

You will learn:-

- Creative process fundamentals explained
- Understanding and applying good composition and colour choices
- What makes a great painting and how to achieve it.?
- How to prepare and get started.?
- Essential sunset painting techniques explained and applied
- How to interpret photo reference. What to use and what to leave out and why.?
- Apply your new creative process for wonderful, visually exciting sunset paintings

The Process:- I explain and demonstrate, then we get started with some practice painting to consolidate and understand the new concepts and techniques before moving forward and creating your major workshop paintings.

Next - 'Painting Fantastic' 2 whole days to painting your own fantastic paintings. I spend lots of one-on-one time to make sure you understand the process, execution and development of all the painting concepts and techniques with live, in-class demos to show you how I do it and I am with you every step of the way to help and assist whenever needed to give you a huge heads up with every aspect of your painting process including how to use and get the most from colour, paint mediums, good brush and palette knife techniques. Every day filled with heaps of great tips and tricks not found in books. *(All student levels welcome)*
