Day 1..

We will pull apart the entire creative painting process into manageable steps so you can easily understand and apply them.

Days 2, 3 ,4..

Once we all have the creative process fundamentals sorted, then you jump straight into your very own 'painting fantastic' where you will apply what you are learning over the remaining three days and take home all of your creations.

You will learn:

- Fundamentals of the creative process simplified
- Understanding and applying good composition
- What makes a great painting and how to achieve
- How to prepare and then begin your painting
- Essential techniques explained and then applied
- How to interpret photo reference. What to use and what to leave out and why.?
- Apply your new creative process for wonderful, visually exciting paintings..

Here is what you get:

- Your class reference photo
- How to get the best from Acrylic paints and mediums
- Easy to learn and understand concepts using painting exercises
- Learn how to recognize, capture and paint aspects of your subject using my simple and practical methods
- Heaps of one-on-one instruction as student numbers are always limited
- Live in-class painting demonstrations by myself to show you how it's done
- Heaps of practical painting tips & tricks, brush technique, palette knife and lots more
- Gain confidence and grow new painting skills you can confidently use again at home
- Conducted at my home/studio which offers great natural light for painting
- I supply morning & afternoon tea & coffee with delicious snacks & treats.. Yumm.!

NOTE: - I do NOT have gluten free options available so you will need to bring your own
- Students do need to supply their own lunch, plus any special foods or drinks (Fridge available)
