

# 'Spreading The Magic'

- palette knife painting -

10th - 11th May

(2 days) workshop at my Buderim studio - Sunshine Coast

## Day 1..

Let's get started using and applying palette knife painting techniques, innovative thinking, mark making, using mediums for better results. Begin thin and then add thick, heavy paints for some amazing impasto (Thick paint) effects.

Then we jump into creating your very own 'painting fantastic' where you will apply what you are learning to your own painting

## Day 2..

Begin your second 'painting fantastic' with a whole days to complete it. Apply and consolidate your new learning as we also cover colour mixing, mediums and how to use, palette knife, brush techniques, textural effects and lots more. Things that you just don't get from books.

## You will learn:-

- New ways to apply heavy impasto paint
- Understanding and applying good composition
- What makes a great painting and how to achieve it using the palette knife.?
- How to prepare and get started.?
- Essential techniques explained and then applied
- How to interpret photo reference. What to use and what to leave out and why.?
- Apply your new creative process for a wonderful, visually exciting painting

**The Process:-** I explain and demonstrate, then we get started with some practice painting fun to consolidate and understand the new concepts and techniques before moving forward and creating your very own paintings

**Next - 'Painting Fantastic'** 2 full days of painting your own fantastic paintings. I spend lots of one-on-one time to make sure you understand the process, execution and development of all the painting concepts and techniques with live, in-class demos to show you how I do it and I am with you every step of the way to help and assist whenever needed to give you a huge heads up with every aspect of your painting process including how to use and get the most from colour, paint mediums, good palette knife and brush techniques. Each day filled with heaps of great tips and tricks not found in books.

I would love to see you there and share some fantastic creative painting time, so please let me know ASAP to secure your place or get more information. *(All student levels welcome)*
