

Painting'n'Drawing lessons - Sunshine Coast

Don Milner

Proudly presents

6 - 10 January (5 Days)

**5 DAY
WORKSHOP**

Draw ^{& more} Drawing

- foundation to all good art -

Explore and indulge your artistic passions as you create some fabulous drawings that you will be proud to hang in your own home. Five full days to learn and practice your new drawing skills and techniques required as you create some great drawings. This workshop will introduce you to and lead you through Don's easy to learn, carefully considered drawing methods with lots of one-on-one time with Don.

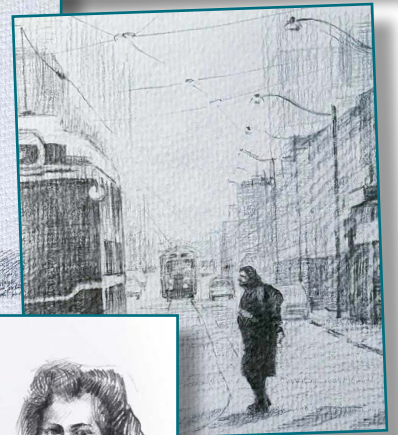

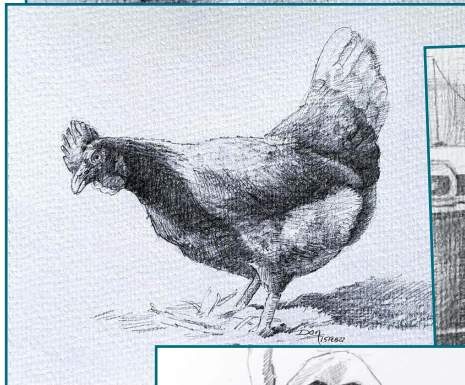

Here is what you get:-

- * How to create a great drawing (Step by step)
- * Best practice - drawing, tools and equipment
- * Smudging, drawing and creative mark making
- * Use simple shapes to get started
- * Live, in-class painting demonstrations by Don
- * Perspective and scaling explained and made easy
- * How to simplify your art for best results
- * Heaps of practical painting tips and tricks
- * All this and much, much more...

Immerse yourself into new ways of creating as Don shows you how to create your own fantastic drawings..

This workshop will grow and develop valuable skills and techniques, all under Don's watchful eye and guidance. Grow and expand your existing and new skills while developing self confidence that allows you to create much better drawings sooner..

- * This workshop is ideal for all student levels.
