Welcome and thank you for your interest in my 'Creative Painting Process' workshop on 27th June - 1st July (5 Days) being held at my home/studio in Buderim.

Love to have you come along as I know you will really enjoy this fabulous creative painting experience. Lots of fantastic creative stuff here mixed with heaps of good techniques to learn in the company of like-minded artists and just darn good painting time fun. This workshop will offer you a fabulous opportunity to grow and develop valuable painting skills and techniques. It's also packed with heaps of essential information and generous amounts of painting tips and tricks to build your self-confidence allowing you to create fantastic paintings sooner.

Your creative artistic journey begins with exploring dynamic design concepts thru expressive tonal studies followed by applying these techniques into your own painting. Build confidence with brush techniques, simplistic colour choices with bold palette knife effects which all combine for fabulous and exciting results in your paintings to take home. Heaps of tips and tricks along the way for lots of great learning opportunities.

Focus on composition, proportions, dynamic cropping for best use of photo reference (what to use, what to leave out and why.?) Discover the power of colour harmony and using accent colours for effect and so much more... Simple but effective techniques which you can confidently take away with you and use again at home.
