OVERVIEW

Supercharge your art

Energise your paintings with

Glowing Light

12th-16th January, 2026 (5 days) workshop - Sunshine Coast

Day 1..

Let's get started by looking at how to really energise your art with glowing light. Paint and learn the processes along with best colour choices and strategies.

Day 2..

Once you have the glowing light fundamentals sorted, then you jump right into your very own 'glowing light fantastic painting' where you will apply what you are learning into your very own painting

Days 3, 4, 5..

Let's create some glowing light to your paintings using Don's process and tools you have learnt. Begin your second 'fantastic glowing light painting' and you have 3 whole days to complete it. Consolidating what you have learnt

You will learn:-

- Painting process fundamentals explained
- Understanding & apply good composition
- What makes a great painting & how to achieve?
- How to prepare and get started.?
- Essential techniques explained & applied
- How to interpret photo reference - what to use, what to leave out & why.?
- Apply your new creative process for visually exciting paintings

The Process:- I explain and demonstrate, then we get started with some painting of your own to consolidate and understand the new concepts and techniques before moving forward and creating your major workshop paintings

Next - 'Supercharge your paintings' 5 whole days of creating your own fantastic paintings full of glowing light. I spend lots of one-on-one time with each student to make sure good understanding of process, execution and development of all the painting concepts and techniques with live, in-class demos to show you how I do it and I am with you every step of the way to help and assist whenever needed to give you a huge heads up with every aspect of your painting process including how to use and get the most from colour, paint mediums, good brush and palette knife techniques. Every day filled with heaps of great tips and tricks not found in books.

I would love to see you there and share some supercharged painting time with you so please let me know ASAP to secure your place or get more information.
